

BIRKIRKARA FC YOUTH ACADEMY

CODE OF CONDUCT FOR PLAYERS

1. Every player is expected to have the club's training kit for training and matches played during the weekend. Attendance for training and matches should be in full kit.
2. Attendance for training should be punctual and no one will be allowed to be late for training or matches without notification.
3. Absenteeism will not be tolerated unless the player notifies the Academy Coach, giving a valid reason.
4. On match days, players called for matches, are expected to be at the club on time.
5. Misbehaviour and misconduct during training sessions and matches will be penalized by suspension and removal of the player from the team. This is to be decided upon by the Director of Youth Coaching together with the Club Committee and Academy Coach.
6. No bullying will be tolerated at the nursery. Anyone experiencing such behaviour has to inform the Academy Coach and Director of Youth Coaching.
7. Anyone deciding to play extra matches, either in 5-a-sides or elsewhere, must ask for permission from the Academy Coach. This also applies to players attending other football schools, not affiliated to the Malta Football Association or Youth Football Association.
8. Any player called for training with the senior team, must attend training with the team. Failure to do so may result in suspension and expulsion from the club. We are doing this as in the past we had players who were called for training with the senior team, and decided not to go without notification.
